THE TIME IS NOW

By Raelyn Pracht

By the time you receive this copy of Chatter, we will have already gathered for our 2019 Texas CEF Spring Leadership Conference. We will have enjoyed fellowship with each other, panel discussions, sectionals, keynote speakers, a servant event and worship. It is my prayer for each of you that you have walked away energized by the conference and by the theme: *The Time is Now*.

Based on Ecclesiastes 3:1, our focus throughout the whole weekend was “The Time is Now”, which perfectly expresses how CEF is ready to serve. The time is now . . . for investing. The time is now . . . for borrowing. The time is now for extending the Kingdom of God through our partnership in ministry.

What is it now time for you to do? Perhaps it’s time to reinvent your table or display area. Maybe it’s time to commit to having a special presentation. Maybe, for some of you, it’s time to think about transitioning your role, and for others, perhaps it’s time to focus on your role.

Whatever the case may be...the time is now for us to continue to enjoy our blessed partnership as we work together in His name.

The mission of the Texas District Church Extension Fund is to extend God's Kingdom by boldly and responsibly assisting congregations to acquire land and buildings and by linking investors with congregations.

OUR NEW SUPER SAVERS THEME, MOSAIC, launched on January 1. We have had a tremendous response! Thank you to each of you that has promoted this new program! It's another way we can teach the children and grandchildren in our congregations about stewardship, discipleship and financial responsibility.
