About Automatic Transfers

- **You must attach a voided check to the authorization form.**
- Funds are transferred electronically from your bank account to your Texas CEF loan.
- You no longer have to write and mail checks, saving time and postage.
- The funds are processed faster and can not be lost, stolen or destroyed in the mail.
- You may change the amount or stop the transfers at any time by contacting Texas CEF for a new form to complete.
- Funds can only be withdrawn from your account if you authorize it.
- Since the transactions will occur only on the days you specified you can deduct the amounts from your bank account on those days. Your bank statement and Texas CEF monthly statement will also reflect the transfers.
- If the loan payment date falls on a weekend or bank holiday, the transfer will occur the first business day following the weekend or bank holiday.
- If you wish to change bank accounts or close a bank account you must notify Texas CEF so that a new form may be completed. Fees may be incurred for returned items due to closed accounts or insufficient funds.
- If you are updating an established Electronic Funds Transfer, this form replaces any previously received Electronic Funds Transfer requests.

The mission of the Texas District Church Extension Fund is to extend God's Kingdom by boldly and responsibly assisting congregations to acquire land and buildings and by linking investors with congregations.
