Definitions

• **Individual Investment:** The investor owns the investment. On the death of the investor ownership of the account passes as a part of the investor's estate under the investor's will or by intestacy.

• **Joint Tenants with Right of Survivorship Investment:** The investors own the investment in proportion to their net contributions. Texas CEF may pay any sum in the investment to any owner at any time. On the death of an investor, the investor's ownership of the account passes to the surviving investor(s).

• **Custodial Investment:** The minor (or other individual for whom the custodial relationship is established) owns the investment. Interest is reported to the IRS using the tax identification of the minor. Texas CEF may pay any sum in the investment on the order of the custodian(s) only. The investment does not automatically transfer to the minor when they reach majority. The custodian must request a change in ownership to transfer control of the investment.
