

INVESTMENT ACTIVITY

Withdrawal of interest paid and added to a Note may be made at any time and will normally be paid to the Owner(s) on demand, however, Texas CEF reserves the right to require the Owner(s) to give 30 days written notice of any intended withdrawal before such withdrawal is made. Withdrawals of principal may be made upon the maturity of the Term Notes, or at any time from the savings investments. Texas CEF may impose a penalty on withdrawals made prior to the maturity date of a Term Note.

Redemption of a Note may be made when the owner(s) provide(s) Texas CEF at its office in Round Rock, TX written notice of intent to redeem. Texas CEF is not required to redeem a Term Note prior to its maturity date. As a matter of policy and practice, however, Texas CEF has redeemed Term Notes prior to the maturity date at the request of the investor upon showing need. There is no assurance, however, that this policy will continue. Texas CEF may impose a penalty on withdrawals made prior to the maturity date of a Term Note or prior to the maturity of any subsequent term if the Term Note is renewed, except when they represent interest accumulated. Such penalty shall be determined in accordance with Texas CEF then current written procedures for Term Notes payable.

Additions of \$25 or more may be made at any time to a Floating Rate Term Note. Fixed Rate Term Notes do not accept additional funds except at renewal. Additional funds may be added to a Floating Rate Term Note, Flex Savings, Rainy Day Funds, Congregation Savings, and Building Funds via Electronic Funds Transfer (EFT) or by any manner acceptable to Texas CEF. Texas CEF, in its discretion, at any time, may refuse to accept further additions to these Notes or may limit the amount thereof.

Interest will be paid or added to principal no less frequently than every three months. Interest will be added to principal unless the Owner(s) request interest to be paid out by Electronic Funds Transfer (EFT). Owner(s) may request interest to be sent to their bank account via EFT by indicating on the investment application and by including a voided check. This election may be changed at any time upon receipt by Texas CEF of Owner(s) written notice to change this election.

Statements will be sent to the Owner(s) at least semiannually, indicating the balance of the Note including the interest paid and withdrawals made.

Term Note Maturity: Texas CEF will send a Note Maturity Notice at least 30 days before your Note matures. If the Note is not renewed, it may stop earning interest after the maturity date. Unless you request payment or notify Texas CEF in writing of your intention to redeem the note, the Note will automatically renew. The renewal will be for the same term length as the original, at an interest rate and payment frequency based on Texas CEF's current policy at the time of renewal, as outlined in the Note Maturity Notice. There is a 20-day grace period before and after the maturity date.
