Celebrating in Cedar Park

Good Shepherd's building expansion will update our outward appearance and increase our presence in the community. It will serve as the launching pad for all ministries within the church. For the first time in Good Shepherd's history, we will have a church designed primarily to meet the needs of both worship styles. Our new gathering area will also provide space to do life together, build relationships, and point people back to the hope we have in Jesus. (Excerpt from Faith Forward Campaign)

On Sunday, March 22, Texas CEF joined in celebrating a groundbreaking at Good Shepherd Lutheran Church in Cedar Park. Good Shepherd is expanding their campus to reach more people for Jesus in a fast growing community.

Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen. ~ Ephesians 3:20-21
