**BUILD FOR
TOMORROW.
INVEST TODAY.**

November 2026

Every congregation has a vision for ministry. Perhaps it's updating a worship space, expanding classrooms, improving facilities, or simply being prepared when an unexpected repair arises. Whatever the need, planning ahead can help your church be ready for the opportunities God places before you. That's where a Texas CEF Building Fund can help.

If your church doesn't have a Building Fund yet, now is a great time to start! With just \$10, your congregation can open a Building Fund and begin setting money aside for future building projects, repairs, and other facility-related needs. Even small, regular contributions can help establish a foundation for tomorrow's ministry.

Already have a Building Fund? Consider whether your congregation could make an additional deposit or establish a regular savings plan. As needs arise and ministry opportunities grow, having funds set aside can provide greater flexibility and help your church prepare for the future.

Your congregation may now use its Building Fund to pay insurance premiums, giving your church another way to put its savings to work.
