## INVESTMENTS

### DID YOU KNOW?

**Our Mission** is to invite investors to deploy their resources towards work in God's Kingdom. Each investment helps to build churches throughout Texas.

**Our Operating Philosophy** is to pay Investors an attractive rate of return.

**Our Promise** is to deliver a superior customer service experience.

**Our Goal** is to offer relevant products that exceed the expectations of investors.

### HONORING THE PAST. FOCUSING FORWARD.

We honor the past . . . and thank God for the creation of the Texas District Church Extension Fund. Since 1888, CEF has provided investment opportunities and low cost funding for Texas congregations to build and expand.

We focus forward . . . and strive for the goal of anticipating and being responsive to the ministry needs of the future; to continue **boldly** and **responsibly** making decisions that will impact the kingdom.
